When printing the foot measure guide from the website you need to check the page scaling in your print menu.

The following options are presented in the page scaling section

None

Fit to paper

Shrink large pages

The option to choose for an accurate printing of the guide is "None"

Please note that this measure is a guide only, and for fitting accuracy we recommend that you try on the footwear.

8

7

(½ sizes have extra fitting width/girth but remain same length)

MEASURE BOTH FEET - ORDER LONGER FOOT

for kids
Sizes 7-3

Men's/unisex
Sizes 2-13

WOMEN'S WORK

Sizes 6-10

**This foot measure is intended as a guide only,
and for fitting accuracy we recommend that you
try on the footwear.**

For best results:

- **Place heel against vertical upright while standing**
- **Wear your normal sock and measure the length of both feet & fit longest foot**
- **If your toe crosses a line select the next larger size**

Heel Line
